RE: **The State of Mobile Wireless Competition**
WT Docket No. 10-133
Notice of Ex Parte Presentation

Dear Ms. Dortch:

On November 16, 2010, Jeanine Poltronieri, Michael Goggin, Gary Phillips, and Colleen Thompson of AT&T, and David Lawson of Sidley, Austin, LLP, representing AT&T, met with Susan Singer, Eliot Maenner, Pramesh Jobanputra, Chelsea Fallon, Catherine Matraves, and Ty Bream of the Wireless Telecommunications Bureau. The purpose of the meeting was to discuss AT&T's concerns with certain analysis in the 14th State of Mobile Wireless Competition Report (Report), which AT&T believes should be modified in the 15th Report. Consistent with AT&T's comments filed in this proceeding, AT&T discussed concerns related to analysis of concentration in the wireless marketplace, analysis of providers holding sub-1 GHz spectrum and the Report's treatment of advertising, investment and profitability. AT&T also expressed its view that the mobile wireless marketplace is effectively competitive.

In accordance with the Commission's rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

/s/Jeanine Poltronieri
